Course summary

This online course introduces you to one of the most widely spoken languages in the world – Spanish. Whether this is the first time that you are learning Spanish, or you have already picked up some words and phrases from travelling across the Spanish-speaking world, this course is for you. This introduction offers the perfect opportunity to develop the skills needed to communicate effectively in Spanish in everyday contexts!

Learning outcomes

By completing this course, the learner should be able to:

- pronounce vowel sounds and the letter 'h' in Spanish
- understand how to type the special characters á é ñ ¿
- make introductions using both formal and informal expressions
- greet people at different times of the day
- recognise the value of keeping a language notebook.

Completed study

The learner has completed the following:

Week 1

Introduction

How to say hello and goodbye

Week 2

Names and introductions
